

# Mystical Enchantress

Get ready to be completely spellbound by Fiona Horne, widely-recognised in Australia, USA & UK as a leading expert on Modern Witchcraft, accomplished television & radio host, singer/songwriter and renown author. With 10 best-sellers under her belt, Fiona was invited to share her insights and expertise on Witchcraft and Paganism at the prestigious Harvard University. Fiona may hold the key to the other realm, but in this life, she's living it to the fullest as licensed snake handler, skydiver as well as an expert scuba diver. And that's not all.

Formerly the lead singer/songwriter for Australian chart-topping techno/rock group *DEF FX*, Fiona's bewitching personality can be seen on international news and entertainment programs such as *Tyra Banks Show*, *E! News*, *the Australian Celebrity Survivor* and even on the world's #1 magickal web series *Wiccatv.com*. She starred in the opening season of the Australian production of *The Vagina Monologues* and appeared in independent films such as *Cult* and *Unbeatable Harold* with Dylan McDermont.
